

Date: July 24, 2022

RE: Morgan Hill Triathlon Event Cancellation

Dear Morgan Hill Registrants,

After working with our jurisdictions to solidify a date we had a death in the family that set us back significantly. We apologize for the delay in getting this message to each of you, but the event will now be postponed until 2023.

Morgan Hill Sprint Triathlon will be held on May 21, 2023

We will follow our normal transfer, credit and deferral policies for those that can't attend the date in 2023. We will not be holding any other events in 2023 but will be excited to get things back in motion for 2023. <http://usapevents.com/event-policies/>

If you have any questions, please don't hesitate to contact us directly. Hoping your training is going well!

Best regards,

Ryan Coelho

Race Director
